

ALL CARE FAMILY SERVICES

Solutions that meet the needs of the entire family, one person at a time.

Who We Are

To provide the highest quality service to children, adults and families that will have a positive impact upon their dignity, self-worth and quality of life in the community.

Vision

To be recognized as the behavioral health leader in the state of Virginia by providing the highest quality of care and community support services to youth, families and adults.

Our Mission

To provide the highest quality service to children, adults and families that will have a positive impact upon their dignity, self-worth and quality of life in the community.

Executive Management Team

Consist of individuals who are Licensed Medical Professionals, Mental Health Professionals and Professionals with Masters degrees in Social Work, Education, Nursing and Rehabilitative Training.

"Health is a state of complete physical, mental and social well-being, and not merely the absence of disease or infirmity."

-World Health Organization, 1948

CORE VALUES, BELIEFS AND PRINCIPLES

We are dedicated to providing the highest quality of culturally competent, accessible and cost effective services.

We will treat all people with dignity and respect.

Recovery and Resiliency principles are practiced.

We are committed to conducting ourselves with the highest level of integrity.

We will strive to provide our employees with a nurturing and learning environment, which will allow them to achieve their highest level of performance and competency.

We are committed to achieving the highest quality of care and stakeholders satisfaction. Our stakeholders are defined as persons served, employees, and business partners in the community.

All persons served will be viewed as equal partners in the planning and receiving of All Care Family Services.
